PLEASING EXERCISES

William I. Swoope of Clearfield Delivers Eloquent Address to Class—President Mingle Makes Pleasing Address and Awards Diplomas and Prizes.

THE PETRIKIN HALL WAS CROWDED

The 22nd annual Commencement exercises of the Bellefonte High school, class of 1905 were held in Petrikin Hall Thureday afternoon and evening June 1. Large and appreciative audience were present both afternoon and evening and everything passed off successfully.

The building was profusely decorated, the class colors white and blue predominating. When the curtains were pulled aside the stage picture presented was very pretty indeed. On the stage were seated the seven young women and ten young men composing the graduating class, principal John D. Meyer, Prof. Jonas Wagner and Miss Ella Levy The music for the afternoon was furnished by Christy Smith's orchestra and it could not have been excelled.

The exercises were opened with a fervent prayer by Rev. J. A. Wood Jr., pastor of the Methodist church. The speakers of the afternoon were introduced by Prof. John D. Meyer.

We have not the space to give in detail the substance of their addresses or mention them individually but they one and all acquitted themselves in a most creditable manner. They each one showed that they had not only given the subject of their oration considerable thought and study, but that they had spent time and work in preparing themselves for a successful delivery.

The concluding exercises were held Thursday evening when the annual Commencement address was delivered by William I. Swoope Esq., of Clearfield. The audience was captured by Mr. Swoope at the very start and he held their close attention throughout the three-quarters of an hour that he spoke. His theme was "Government" and he spoke of the duties of citizenship. He is a polished orator and his address was forceful, inspiring and eloquent. The entire discourse showed careful preparation and thought. The address made a favorable impression on all present.

President A. C. Mingle of the school board then made a neat address, and presented to each of the seventeen graduates their diploma of graduation, after which he announced the award of prizes as follows:

W. F. Reynolds general Excellence prize, $10—M. Louisa Brachbill.

J. C. Meyer Biographical prize, $10—M, Louisa Brachbill.

W. F. Reynolds Junior oratorical contest, first prize, $10—Thomas G. Haugh, second prize, $5—Mildred H. Ogden.

D. A. R. prize for best historical essays by members of the senior grammar, girl's prize, $5—Miss Grace Steele; boy's prize, $5—Milford Smith.

In addition to the ten class-day orators given above the other members of the graduating class are as follows: Goldie D. Cain, Lyde A. Hastings, Geo. W. Overton, Calder L. Ray, Louise B. Spangler, Earl G. Taylor and Arthur G. Thomas.

Funeral of Charles Rine.

The funeral of the late Charles R. Rine took place Thurday morning at ten o'clock from the family residence on South Thomas street. There was a large attendance of friends and relatives of the deceased. The services were conducted by Rev. J. A. Wood, Jr., pastor of the Methodist Episcopal church, who preached a very touching and impressive sermon. A quartette sang several selections after which the funeral cortege proceeded to the Union cemetery where the interment was made.

The casket bearers were James Schofield, Jacob Gross, John Knisely, William Ogden, Darius Waite and J. M. Cunningham.

DEATH OF JOHN O'LEARY.

For Many Years a Well Known Resident of Bellefonte.

John O'Leary, for many years a well known resident of Bellefonte, but of late living with his son-in law, William Allen, of Spring Grove, Pa., died on Sunday evening at 11.30 o'clock at that place of pneumonia.

John O'Leary was born in county Cork, Ireland, ninety years ago. He was married to his cousin, Miss O'Leary before leaving Ireland and in 1860 they sailed for America to make their future home. They came straight to Bellefonte where they located and where they lived for a period of forty years John O'Leary was a familiar figure on our streets and was universally liked. He was an honest, industrious man and enjoyed the respect and confidence of all who came in contact with him. For many years he was sexton of St. John's Catholic church in this place of which he was a devout member. He served a term as Street Commissioner of Bellefonte and gave good satisfaction.

Five years ago the venerable man and his aged wife who is two years older than he was, went to Spring Grove to live with their daughter, Mrs. William Allen. He was taken ill several weeks ago and death ensued as above stated.

The funeral services were held at Spring Grove and Wednesday evening at 4:20 the remains arriveed in Bellefonte by way of Lewisburg. The funeral party was accompanied by Father Boyle of Spring Grove. The interment being in the Catholic cemetery.

DR. JOHN H. MULLEN.

Death of One of Bellefonte's Oldest Native Citizens.

On Saturday evening at six o'clock Dr. John H. Mullen, one of Bellefonte's oldest native citizens, passed away quite suddenly of heart failure. He was the son of Felix and Eliza Mullen and was born in this town September 22nd, 1832, making his age 72 years, 8 months and 12 days. He studied medicine under old Dr. Potter, then entered the medical department of the University of Pennsylvania. He served in the civil war as assistant surgeon in the 28th regiment Pennsylvania Volunteers from October 1862 to April, 1863. He later returned to Bellefonte and for years was one of our successful physicians. Dr. Mullen had many warm friends who were sincerely attached to him. He was a kind hearted, generous man. He looked after the physical needs of many poor people without remuneration and they will always cherish his memory.

He was a brother of the late Mrs. Margaret Brockerhoff and leaves one brother living, Frank Mullen, of Reynoldsville, Pa.

The funeral was held Monday at 3 o'clock. The funeral cortege left the Brockerhoff residence shortly before the appointed hour and proceeded to St. John's Catholic church, of which deceased was a life long member. There the services were conducted by Rev. P. McArdle, pastor of the church. The pall bearers were C. M. Parrish, Harry E. Fenlon, Jacob Gross, Capt. H. C. Taylor, Hon. James Schofield and Thomas Howley. Interment in the Catholic cemetery.

JOHN MEESE: OF ROOPSBURG.

Passed Away at His Home in That Place Saturday Evening at 7:30.

John Meese, one of the best known residents of Benner township, died at his home at Roopsburg Saturday evening at 7.30 o'clock. He had been ailing for some time and his death was due to Bright's disease. He had been engaged in farming the greater portion of his life and was aged 76 years, 11 months and 20 days.

His wife preceded him to the grave several years ago but he leaves the following children to mourn their loss: Scott, of State College; Edward, Mrs. Neal Martin, Mrs. Elmer Sager, Mrs. Austin Brown, John R., George and Femmie, all of Bellefonte.

He also leaves the following sisters: Mrs. William Gilien, Mrs. Cramer of Bellefonte, and Mrs. Martin Houser, of Arvonia,

The funeral took place at the family home at Roopsburg Tuesday morning at 10 o'clock. Rev. A Davidson, of the United Brethren church officiated. Interment at Pleasant Gap.

FOUND—A bunch of keys was found on Saturday on Bishop street. Owner can have same by calling at Wagner's feed store, Bishop street.

A BIG TIME AT SNOW SHOE.

Opening of the Snow Shoe Driving Park.

ON THE 4th OF JULY.

Union Picnic of Odd Fellows, Red Men and American Mechanics to be Held There on that Date.

A BELLEFONTE HORSE TO RACE

Nestling on the top of the Alleghenies lies the pretty little mountain town of Snow Shoe, a town which possesses more true sporting blood to the square inch than any town of its size in the state. Snow Shoe is known to many, only for its splendid coal mines, which furnish fuel to heat us in the winter and the fire to run factories all over this land. In addition to this it is one of the finest mountain resorts in the state If you wish to see beautiful mountain scenery, not surpassed even by far famed Switzerland, you should take the trip the writer did recently over the "switch back" railroad to Snow Shoe, at this season of the year, when the trees have just put on their green garb, and the honey suckles and dogwood are in full bloom. You will be delighted beyond measure. Tall mountains point their rugged peaks to the heavens and when nearing the top and you look down the mountains, the farm houses nestling at their feet look like paste board houses in toyland.

Near the summit you have a glimpse, as you glide by on the train, of the beautiful little summer resort of Conductor Martin Reese, one of the prettiest spots imaginable. Of late years he has developed it into one of the most delightful villas in the state. Here you will find pure air, sparkling mountain water dancing over the rocks and swarming with trout. Conductor Reese does not live here but occupies a handsome home at Snow Shoe, His brother lives on the farm but Mr. Reese and his family spend lots of time during the summer at his beautiful mounta n farm.

Snow Shoe itself is advantageously located, cool all the year around it is nature's health resort. Located on one of the highest points in Snow Shoe and on the road leading to Bellefonte is the new Snow Shoe Driving Park, one of the finest parks in the state which the recently organized Snow Shoe Park Association have just completed at a cost exceeding $10,000. This park will be opened on the 4th of July with a monster Union picnic which will eclipse anything of the kind ever before attempted in Snow Shoe. The Odd Fellows, Red Men and American Mechanics will picnic in this paradise of pleasure and we would advise all who can to go and enjoy something beyond their comprehension.

This park consists of 16 acres cleared and 12 acres in a beautiful grove of chestnut and Oak trees. Through this grove three broad avenues have been cut out. Every stump and stick has been cleaned out at considerable expense and seats and swings are scattered all through the park for the weary to rest on. In the grove they have erected a large pavilion 72 feet long and 56 feet wide. In this pavilion is a dancing hall with 2000 square feet of dancing surface. At one end of this building is a stage for vaudeville performances. There is a large annex to this building which will be used for a dining room capable of seating 100 people at a time and beyond this is a large and commodious kitchen. The Snow Shoe water company, which was recently organized, have about completed their pipe line to the park and an abundance of good pure water is therefore assured. There are two band stands and several smaller buildings already erected.

The ½ mile course is just about complete and the racing experts say it will be one of the fastest tracks in this part of the state. The writer never saw a track just like it, as at one end there is a 15 feet fill and at the other a 13 feet fill, thus making it a very expensive track to build. It cost about $4.000. They are about to erect a grand stand 100 feet long and 24 feet wide which will seat comfortably 400 people.

The officers of the Snow Shoe Park Association are M. D. Kelly, president; George B, Uzzle, vice president; H. P. Kelly, treasurer; W. D, O'Brien, secretary; John P. Kelly, assistant secretary

The Board of Directors are John G. Uzzle, Lawrence Redding, David Chambers, L. M. Kelly and Lawrence Nugent.

THE GLORIOUS FOURTH.

The committee in charge of the big picnic on the Fourth are pushing the thing in great shape. There will be excursions on the Pennsylvania Railroad and the New York Central and an immense crowd is expected. There will be a ball game probably between Peale and Winburne. There will be trap shooting, dancing, band concerts and amusements of all kinds, including a big horse race. Considerable interest centers around the horse race as it will be between a Bellefonte horse "Frank C," owned by Fred Mosebarger of the Haag House and "Rebe" owned by W. D. O'Brien of Snow Shoe. It is for $300 a side and it will settle the oft disputed question as to who has the best piece of horse flesh Bellefonte or Snow Shoe.

The famous Coleville band and orchestra of Bellefonte has been engaged to furnish the music for the occasion which is a sure guarantee that the musical end of the program will be all right.

The committees of the different organizations in charge of the picnic are as follows:

I. O. R. M.—A. B. Buddinger, W. G. Kisling, D. H. Meridith.

I. O. O. F.—Robert Malone, Robert Parks, Harris Watson.

O. U. A. M.—D. R. Thomas, R. E. Shank, M. B. Conaway.

C. & S. S. G. C.—C. H. Watson, W. G. Kisling.

THE PRUNER HOME.

Tyrone Council Declares That it Must and Will be Established.

The Tyrone council at their meeting Monday night declared unequivocally for the establishment of the Pruner home. The Tyrone Herald gives the following particulars:

"The most important business accomplished was the definite announcement of Tyrone council's position with reference to the E. J. Pruner bequest for the establishment of a Home for Friendless Children of Tyrone and Bellefonte, Tyrone council has accepted the trust imposed by the will and will carry out the provisions of the will either with or without the cooperation of Bellefonte council which was named as co-trustee but has declined the trust.

Chairman Armstrong, of the legal committee, presented the opinions of Hon. John G. Love, of Bellefonte, and O. H. Hewitt Esq., of Hollidaysburg, as to the status of the matter. Both lawyers argue that the boroughs having accepted the trust, that trust was at once vested in them and they cannot divest it. Only the proper court could relieve them of the obligation they have assumed, and then other trustees would be appointed so that the beneficiaries of the will, the friendless children, would surely secure their own.

Mr. Armstrong offered a resolution that the offer of Mrs. Sallie M. Hayes to pay Tyrone borough $10,000 in case it rescinds its action accepting the trust imposed by the Pruner bequest, be declined; and that in the event of the continued refusal of Bellefonte borough to cooperate with Tyrone borough in conducting the home for friendless children founded by Mr. Pruner, the borough of Tyrone declares its intention to take charge of the properties as surviving trustee and to execute the trust to the best of its ability. On Mr. Dolaway's motion the resolution was unanimously adopted."

MUCH ACTIVITY AT KARTHAUS.

The New Works at That Place Will be Manufacturing Brick in a Month.

The town of Karthaus is showing great activity these days. The Karthaus Fire Brick company have a force of 55 men at work about their new plant which is nearing completion. Bricklayers building kilns, concrete workers laying a floor in the main building, painters adding beauty to the exterior of the building, carpenters giving the woodwork the finishing touches and laborers grading and laying the track of the tram road to the mines, all combined puts a life in the place not seen there in many a day. With a few more weeks good weather the manufacture of high grade hand made fire brick will be begun and another industry added to the many of the kind now in operation in this section.

—Tired feeling, eh? Work it off.

OUR BORO FATHERS.

Held Their Regular Semi-Monthly Meeting Monday Night.

FULL BOARD PRESENT

Nothing Said About the Pruner Orphanage—South Allegheny Street Water Main Completed--Abutments for High Street Bridge Completed.

A LARGE NUMBER OF BILLS PAID

The borough council met in regular session on Monday evening at 7:30 with President Jenkins in the chair. The other members present were Messrs. Kirk, Brown, Fenlon, Seibert, Wise, Keichline, Keller and Derstine.

Chairman Derstine of the Street committee reported the completion of the stone wall abutments for the new High street bridge.

Chairman Fenlon of the water committee reported the completion of the new twelve inch main on South Allegheny street.

Chairman Wise of the Fire and Police committee reported a fire at the Ardell Lumber Company on Friday June 2.

The building of the sewer on Thomas street and South Spring street was left to the Street committee with power to act.

The water committee recommended the appointment of J. Kennedy Johnston as collector of Water rentals for the ensuing year. The council approved the recommendation and appointed Mr. Johnston.

Mr. Brown asked council to put a light at the corner of Brockerhoff's alley and Bishop street. It was referred to Street committee.

Burgess Walker reported fines collected for the month of May.

A light was asked for on East Bishop street at the intersection of Wilson street. It was referred to the street committee.

Mrs. Hazel, of Madisonburg, presented a bill to council for $41.00 for damages which she sustained by a fall on the sidewalk on High street in front of the Y. M. C. A., building. It was referred to the Borough Solicitor for investigation.

The iron work for the new High street bridge has arrived from the York Bridge Company's works at York, Pa., and the work of placing it in position will begin at once,

Councilman Seibert stated that in his opinion the stone abutments for the new bridge over the race were to high and should come down several inches. Other councilmen thought that this could be adjusted when the bridge company started to put the iron work on.

The matter of the Pruner Orphanage was not taken up at all for discussion.

Mrs. Harry Counsil.

Died at Kane hospital May 11, after undergoing two operations. She was a daughter of A. G. Walker, of Yarnell, and lived in Johnsonburg for about twelve years. She is survived by her husband, her aged father A. G. Walker, and the following sisters and brothers: Mrs. J. T. McCloskey, Mill Hall; Mrs. Frank Fetzer, Mrs. Wm. Owens, Mrs. Isaah Poorman, all of Clearfield, and Mrs. James Poorman, of Snow Shoe; Winfield and George, both of Yarnell.

DEMOCRACY'S DAY.

They Held Their County Convention and Named Their County Ticket.

The Democratic party of Centre county met in the Court House at noon Monday and placed in nomination their county ticket to be voted for this fall. There was a large attendance of delegates but very little enthusiasm displayed. The convention was called to order at 12 o'clock sharp by County Chairman, H. S. Taylor and the call for the convention and the roll of delegates was read by D. Paul Fortney, Esq., secretary of the County Committee.

Dr. H. S. Braucht, of Spring Mills, was chosen permanent chairman of the convention. The Doctor made a graceful speech in taking the chair.

George R. Meek and Chas. R. Kurtz were elected secretaries; William T. Kelly was chosen reading clerk; W. Galer Morrison and John J. Bower were elected tellers and then the convention proceeded to get busy.

Committees on Credentials and Resolutions were then appointed by the chair. The next in order was the naming of the county ticket. The first was the selection of a candidate for Sheriff. Feeling the weakness of Ellis S. Shaffer, their candidate for sheriff many democrats protested to the leaders against his nomination, but without avail and he was nominated by acclamation.

Dr. Frank K. White of Philipsburg, and J. D. Miller, of Walker twp., were placed in nomination for County Treasurer. One ballot decided the result, White receiving 51 votes and his opponent 29. The democratic party have no use for farmers it seems this year so they turned poor Miller down.

John C. Rowe, of Bellefonte, the present incumbent was re-nominated by acclamation for the office of Recorder.

For Register there were two candidates placed in nomination, namely, H. J. Jackson, and D. Wagner Geiss both of Bellefonte, Geiss however withdrew his name and Jackson was named by acclamation.

The only contest of the day worth mentioning was the one for County Commissioner. There was six candidates placed in nomination as follows: W. H. Fry, of Ferguson township; Joseph L. Neff, of Boggs twp; John L. Dunlap, of Spring township; C. A. Weaver, of Penn township; James J. Gramley, of Miles township; D. A. Grove, of College township.

After being placed in nomination the name of Joseph L. Neff was withdrawn and the convention proceeded to ballot:

	1	2	3	4
Dunlap	50			
Grove	25	14½	19½	
Fry	29	22½	24	32
Weaver	39½	37½	37½	48
Gramley	16½	5½		

John L. Dunlap of Spring township, and C. A. Weaver of Penn twp, were therefore declared the nominees.

James W. Swabb, of Harris twp; J. W. Beck, of Howard; S. H. Hoy, of Benner township; were place in nominated for Auditor. Swabb and Hoy were nominated on the first ballot the vote being Swabb 70, Beck 38 and Hoy 50.

Dr. John Sebring, of Bellefonte, and Dr. P. S. Fisher, of Zion, were placed in nomination for Coroner. The latter was nominated on the first ballot, the vote being Sebring 37, Fisher 42.

Chairman Leathers, of the committee on resolutions then read the report of that committee in which the Republican party received the usual tirade. The action of Mayor Weaver in Philadelphia was commended and our Centre county Republican Board of Commissioners was attacked.

Sheriff H. S. Taylor was elected by acclamation as County Chairman for 1906.

By this time the convention was tired out and most of the delegates had left the hall but Col. Spangler, Senator Heinle and others were called upon and made short addresses after which the convention adjourned sine die.

The Academy and Juniata College.

The Bellefonte Academy Saturday added another to its string of victories at base ball this season by defeating the Juniata College nine by the score of 19 to 5 on the Glass Works meadow. There was a large attendance and the game though one-sided was interesting never-the-less.

Committee Wants Correct Names of Centre County Sodiers.

In order to secure absolute accuracy in the names and spelling thereof on our soldiers' monument, we will publish from time to time the lists of certain companies so as to enable those who are interested to suggest changes in initials or spelling, and also to suggest the names of any persons who may have been omitted from the rolls. This is the last opportunity which will be given to our people and to the survivors or friends of deceased soldiers who served from Centre county to have these names corrected. The Committee, therefore, appeals very earnestly to all who are interested in the subject to carefully scan all the names to ascertain.

1st, whether any have been omitted; and

2nd, whether the names of those already contained in the rolls are properly spelled.

It is also very important that the names of soldiers who enlisted in organizations outside of the county or State should be secured, in order that they may find their place among the nation's defenders upon the monument. This is perhaps the most important thing which the Committee has in charge, the organizations from our own county being already well known. If, therefore, any person, in or out of the county, has knowledge of a citizen of Centre county who enlisted in organizations outside of the county and State, it is especially important that their names should be ascertained, so that they may find a place among those who enlisted at home.

Any communication in regard to these names addressed to Gen. John I. Curtin or William H. Musser, Bellefonte, will receive prompt attention.

For Over Sixty Years.

Mrs. Winslow's Soothing Syrup has been used for over sixty years by millions of mothers for their children while teething with perfect success. It soothes the child, softens the gums, allays all pain, cure wind colic, and is the best remedy for diarrh ea. It will relieve the poor little sufferer immediately. Sold by all druggists in every part of the world. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup" and take on other kind.

To Operate by Electricity.

The Mann Edge Tool company, of Mill Hall, has had surveys and calculations made by expert electrical engineers looking to the installation of dynamos for the purpose of driving the machinery of their plant by electricity. On the opposite side of the creek from the factory a huge water wheel will be put in at as low a depth as possible in order to give it sufficient force to drive the large dynamos, which will be used to generate electricity. Several storage batteries will be put in to store any excess of the power. This method will be a saving of many thousands of dollars annually to the company, as it will do away with an engineer and the large amount of fuel it requires to feed the four large boilers. Each department will be operated by this new power in such a way that it can be closed down or operated independent of the other ones. It is also the intention of the company to furnish light for both public and private use in Mill Hall.

Hot Weather Piles.

Persons afflicted with Piles should be careful at this season of the year. Hot weather and bad drinking water contribute to the conditions which make Piles more painful and dangerous. DeWitt's Witch Hazel Salve stops the pain, draws out the soreness and cures. Get the genuine, bearing the name of E. C DeWitt & Co. For sale by Green's Pharmacy.

Pennsylvania Monument at Vicksburg.

On a recent visit to the office of W. H. Musser the writer was shown a magnificent drawing of the design of the Pennsylvania monument now being erected on the battlefield at Vicksburg, in commemoration of the five regiments from Pennsylvania participating in that hard fought struggle. The regiments were the 45th. of which Gen. John I. Curtin, of this place, was colonel at that time; the 50th, 51st, 100th and Durrell's battery. The monument now being erected is of granite, with a huge crescent-shaped pedestal—forty-five feet in diameter from point to point. The monument itself is a massive block of granite, nine feet high and over six feet wide, on which are to be placed bronze medallions of the colonels of the five regiments. The monument will cost $11,500 and is to be completed in time for dedication in October.

State Man Gets Fat Plum.

N. G. Miller, who has been employed at the Experimental Station since his graduation from the College last year, was appointed by Gov. Pennypacker Assistant State Zoologist at a salary of $1600 per year. This office was created by the last Legislature. During his college course, Mr. Miller made a good record as a student and there is every reason to believe that he will fill his new position with credit to himself and his Alma Mater. His many friends will be glad to learn of his advancement. Mr. Miller's home is in Chambersburg.

Two Dyspeptics

If you are too fat it is because your food turns to fat instead of muscle—strength. If you are too lean the fat producing foods that you eat are not properly digested and assimilated.

Lean, thin, stringy people do not have enough Pepsin in the stomach, while fat people have too much Pepsin and not enough Pancreatine.

Kodol

Dyspepsia Cure

contains all the digestive juices that are found in a healthy stomach, and in exactly those proportions necessary to enable the stomach and digestive organs to digest and assimilate all foods that may be eaten. Kodol is not only a perfect digestant, but it is a reconstructive, tissue building tonic as well. Kodol cures Indigestion, Dyspepsia, Sour Stomach, Heartburn, Palpitation of the Heart and Constipation. You will like it.

Digests What You Eat

Rests the stomach, rebuilds the tissues and gives firm flesh.

Dollar bottle holds 2½ times as much as the trial, or 50 cent size.

NAVY'S NEW HEAD!

Charles J. Bonaparte, of Baltimore, Will Succeed Morton.

WHO RETIRES JULY 1

His Appointment Had Been Decided upon Some Time Ago by President Roosevelt

HE IS EMINENT AS A LAWYER

Washington, June 1.—President Roosevelt has authorized the announcement that Charles J. Bonaparte, of Baltimore, Md., would be appointed secretary of the navy to succeed Paul Morton, who earlier in the day stated he would retire July 1 to go to New York to take charge of the plans for the construction of the subway system for operation in connection with the surface lines.

The president also authorized the statement that no other change in the cabinet was likely to take place in the future. Secretary Shaw already has indicated his intention of retiring from the cabinet probably next February. Rumors of the retirement of Attorney General Moody have been published, but it is understood his intention now is to remain in the cabinet for a year and a half and perhaps longer.

To all except President Roosevelt's closest advisers the announcement of the selection of Mr. Bonaparte as the head of the navy came as a distinct surprise, although it had been determined on by the president for some time in anticipation of Mr. Morton's retirement. In all the gossip Mr. Bonaparte has not been suggested as Mr. Morton's possible successor. For many years Mr. Bonaparte has been an intimate friend of the president. So great is Mr. Roosevelt's confidence in him that on matters of national concern he requested his advice and counsel. To determine accurately the legal phases of the postal frauds, the president designated Mr. Bonaparte and Mr. Conrad to investigate the subject, and on their report he took decisive action without hesitation.

Eminent as a lawyer, and as a publicist and consistent advocate of civil reform, Mr. Bonaparte has not been supposed to have more than an academic interest in the navy. In the upbuilding of the navy however, he is known to be in perfect accord with the president and doubtless will carry into effect the views of Mr. Roosevelt in the strengthening of the navy establishment. Mr. Morton's announcement of his expected retirement followed a conference with the president lasting about an hour. It had been stated with authority that Mr. Morton would retire July 1, provided the president would accept his resignation from that date and to-day's statement therefore officially confirms what has been known for several weeks.

When he retires he will have rounded out exactly one year of cabinet life. He succeeded William H. Moody, of Massachusetts, who became attorney general. Secretary Morton gave out the following statement:

"Paul Morton announces that he will retire from the cabinet on July 1, 1905. He will go to New York to live and will become associated with Mr. Thomas R. Ryan. It is understood that Mr Morton will at once take active charge of the plans for the construction of the proposed comprehensive improvement of the rapid transit lines in New York city for their operation in connection with the surface lines.

The Farmer's Wife

is very careful about her churn. She scalds it thoroughly after using, and gives it a sun bath to sweeten it. She knows that if her churn is sour it will taint the butter that is made in it. The stomach is a churn. In the stomach and digestive and nutritive tracts are preformed processes which are exactly akin to the churning of butter. It is not apparent then that if this stomach churn is "sour" it sours all which is put into it? The evil of foul stomach is not the bad taste in the mouth and the foul breath caused by it, but the corruption of the pure current of the blood and the dissemination of disease throughout the body. Dr Pierce's Golden Medical Discovery makes the sour stomach sweet. It does for the stomach what the washing and sun bath do for the churn-absolutely removes every tainting or corrupting element. "Golden Medical Discovery" contains no alcohol, whiskey or other intoxicant and no narcotic.

Was Wasting Away.

The following letter from Robert R. Watts, of Salem, Mo., is instructive: "I have been troubled with kidney disease for the last five years. I lost flesh and never felt well and doctored with leading physicians and tried all remedies suggested without relief. Finally I tried Foley's Kidney Cure and less than two bottles completely cured me and I am now well and sound."—Sold by C. M. Parrish.

Men who will make no compromise with questionable things.
Men whose ambitions are are not confined to their own selfish desires.
Men who are willing to sacrifice private interests for the public good.
Men who are not afraid to take chances, who are not afraid of failure.
Men of courage, who are not cowards in any part of their natures.
Men who are larger than their business, who overtop their vocation.
Men who will give thirty-six inches for a yard and thirty-two quarts for a bushel.
Philanthropists who will not let their right hand know what their left hand is doing.
Men who will not have one brand of honesty for business purposes and another for private life.
Young men who will be true to their highest ideals in spite of the sneers and laughter of their companions.
Clergymen who can hear a louder call than that of public applause, larger salary, or a fashionable church.
Statesmen who will not pack caucuses, pull wires, or be influenced in their policy by personal motives
Magnanimous souls who do not look upon everybody they meet for the possible use they may be to them.
Men who are true to their friends through good report and evil report, in adversity as well as in prosperity.
Single hearted people who do not look at evey proposition from the point of view of "What is there in it for me."
Journalists who will not write scurrilous, scandalous articles merely because their editor-in-chief wishes them to do so.
Young men and women who can stand erect and independent while others bow and fawn and cringe for place and power.
Men who do not believe that shrewdness, sharpness, cunning and long-headedness are the best qualities for winning success.
Merchants who will not offer for sale "English woolens" manufactured in American mills, or "Irish linens" made in New York,
Lawyers who will not persuade clients to bring suits merely to squeeze fees out of them, when they know very well that they have no chance of winning.
Men who have the courage to do their duty in silence and obscurity while others about them win wealth and notoriety by neglecting sacred obligations.
Physicians who will not pretend to know the nature of a disease when they do not, or experiment on patients with drugs with which they are not familiar.
Men who are not ashamed or afraid to stand for the truth when it is unpopular, who can say "no" with emphasis, although all the rest of the world say "yes."
Men who have the courage to wear threadbare clothes and to live simply and plainly, if necessary, while their competitors revel in luxury purchased by crooked methods.
Men who have gained such complete control of themselves that they can pass through the most exasperating situations without doing or saying an unpleasant thing, without losing their temper or flying off their centre.
"Men who can stand before a demagogue and scorn his treacherous flatteries without winking."

TREPOFF PROMOTED!

Best Hated Man In Russia Assistant Minister of Interior

OTHER PROMOTIONS

Powers Granted to Him Are Almost Dictatorial and he is Only Answerable to the Czar.

CZAR NICHOLAS STILL FAVORS WAR

St. Petersburg, June 5.—The Russian government has shown that it has not weakened in this hour of disaster. Instead of yielding to the stormy demands which the radicals hoped Admiral Rojestvensky's defeat would force the government to grant, the emperor issued a ukase on Sunday conferring greatly increased powers on Governor General Trepoff, making him assistant minister of the interior in place of Major General Rydzefsky, who is made a senator; also chief of the department of police and commander of the corps of the gendarmie. General Trepoff is given the right by the ukase to close all assemblies and congresses, to suspend indefinitely all societies, leagues and other bodies manifesting pernicious activity and to take all other steps necessary to preserve order so as to prevent interference with the established regime and to suppress the present propaganda.

This ukase, which entrusts almost dictatorial powers to the head of the imperial police to control the agitation now almost peremptorily demanding a constitution, representative government and the surrender of the vital principals of the autocracy, and to put down disorders with which the revolutionaries are threatening the country, makes him responsible alone to the emperor.

The document is of the deepest importance in the present state of Russia and indicates that the government while steadily proceeding in its plans for the fulfillment of imperial promises, contained in the rescript of March 3, is determined not to be swerved from its purpose by the pressure of the military and naval disasters, but in its own time and as speedily as possible to give the nation the legislative body on which the Bouligin commission has been working. In it may perhaps also be read the intimation that the war will continue and that the question of peace will not be submitted to a zemsky sobor.

According to the Russ, the result of the labors of the Bouligin commission, which has now been printed and submitted to the commissioners, does not embody any definite plan for the organization and functions of a new governmental body, but rather a collection and classification of the necessary data for the formation of an assembly, giving alternative views of the various points in dispute and leaving the final decision in the hands of the ministers.

Thus nothing regarding the "imperial douma" has been pre-determined. Minister Boulingin reserves the right to give his opinion to his co-ministers.

Strictly Genuine.

Most of the patent medicine testimonials are probably genuine. The following notice recently appeared in the Atchison, (Kan.,) Globe: "Joe Tack, a well known engineer, running on the Missouri Pacific between Wichita and Kiowa, lately appeared in a big one, with a picture, and when he was in this office to-day, we asked him about it. He says he had terrible pains in his stomach, and thought he had cancer. His druggist recommended Kodol and he says it cured him. He recommended it to others, who were also cured." Kodol Dyspepsia Cure digests what you eat and cures all stomach troubles. Just as surely as the sun shines your stomach can be brought back to its original pure condition and life sweetened by this lasting and truly the greatest digestant known. Sold by Green's Pharmacy.

Didn't Have Time.

An exchange says that a short time ago, some men were engaged in putting up telegraph poles on some land belonging to an old farmer, who disliked seeing his wheat all trampled down. The men produced a paper by which they said they were allowed to put the poles where they pleased. The farmer went back and turned a large bull in the field. The savage bull made after the men and the old farmer seeing them running from the field, shouted at the top of his voice: "Show him the paper! Show him the paper!"

Memorial Day in Boggs Twp.

Memorial services held by Post 261 of Milesburg began by a detail from the Post visiting the cemetery at Fairview and was under the command of post Department Commander Austin Curtin of Post 261, after the services in cemetery which took place at 8 a. m. all present entered the church at that place and listened to a very practical and excellent address by Rev. Mr. Bergen, of Fairview Disciple church, the detail accompanied by many from Fairview left for the Advent church where all the members of the Post were assembled awaiting those from Fairview, a very large number of people from Wallace Run, Marsh Creek and other places were in attendance two very large Sunday schools from those places under direction of S. K. Watson, Thomas Malone, Elias Hancock and A. T. Boggs proceeded to move around among the graves of the soldiers buried there and scattered flowers over them, after which all the audience assembled at about the centre of the cemetery and began the beautiful ceremony as laid down by the Grand Army, it was done under the direction of Commander Curtin but the Post was under the command of A. S. Smith the present Post commander. After the Grand Army services Miss Croft, of Marsh Creek, recited Mr. Lincoln's address delivered at Gettysburg n 1863, she was followed by Miss Confer reciting the very pretty poem "The Blue and the Gray"; then came Miss Emmenbizer who had a very appropriate recitation, after which Rev. Mr, Bingham, of Runville U. B. church, gave a most interesting and instructive address.

It looked like rain but did not but had it done so part of the audience only could have got into the church. The Milesburg Cornet band under Mr. Wetzler furnished excellent music for the occasion and also decorated the graves of their dead members previously to the beginning of the exercises by the G. A. R.

Taking up the line of march for Milesburg at the conclusion of the services dinner was served by a number of people there and all fared well. Soon after dinner all who could drove to the Curtin cemetery three miles away and being there joined by the Sunday school in quite large numbers marched to the cemetery on the hill and began the services led by Austin Curtin,

When ritual services were concluded Mr. Charles Else, of Milesburg, was introduced and gave a most interesting and eloquent address just the one suited to the occasion detailing the services of the old men of 61-65 and why such observation of the day should be held in strict and solemn remembrance and asking sympathy for the soldiers who remain.

The Curtin Cornet band had kindly consented to furnish the music for the occasion and did it exceedingly well. The march was again taken this time for Milesburg to complete the services of the day at that place at four o'clock meeting at the Post room the veterans under command of commander Smith marched with the Milesburg band preceding the Hook and Ladder Co. and the Post following to the Methodist church and getting the Methodist Sunday school in line again returned to the Presbyterian church and taking the Presbyterian Sunday school increased the line very materially so that when the Baptist Sunday school joined it not far from the old cemetery the line was very much extended. Marching into that place a hollow square was formed and the exercises were begun by Past Dept. Commander Curtin; then Mr. Eddy with his choir sang a beautiful selection, the band played a dirge and when services were under way and partly finished Miss Mae Bryan recited very finely Mr. Lincoln's address. The G. A. services were concluded by the address of comrade Else, acting chaplain, Rev. Mr. Cox, of Bellefonte Evan. church having arrived he was introduced and gave one of the best addresses that has ever been given at that place; it was enjoyed by every one present and listened to with marked attention.

All services being concluded the different organizations marched to their respective quarters and Memorial Day 1905 as far as Post 261 and other organizations were concerned passed into the history of those days all repaired to their homes being well pleased with the success of the day,

When the exercises were being held at Advent comrades Haupt and Green and perhaps some more were holding them at the new cemetery, about one mile north of Milesburg, a number of old soldiers being buried in that place,

The memorial sermon was preached by Rev. Mr. Lathrop on the 28th.

Just commenced in the New York Family Story paper
A Modern Bluebeard
or the adventures of a Female Sherlock Holmes a realistic romance founded on fact by Fanny May. You who have been reading the daily papers can easily imagine how the thought came to the author's mind to write this story. Though purely a romance, many of its most sensational and dramatic scenes are based on fact It is a startling expose of a wicked man's wiles. This realistic romance begins in No. 1644 of THE NEW YORK FAMILY STORY PAPER.

It's Dangerous To Doubt.

You have no right to doubt a thing that has been tested and found to rest on fact.

Vin-te-na has cured so many people in so many parts of the country that it is really unjust to predict a failure in any case that has gone beyond the power of medicine.

Vin-te-na purifies the blood and makes the nerves strong and steady. It not only cures disease but safeguards the system against every form of germ disease. Most all diseases are rooted in the blood. Vin-te-na cures the very cause of all blood disorders by destroying the impurities in the blood and giving it purity and warmth. Get it and be strong.

THE DEMOCRATIC COUNTY CONVENTION.

The Democratic county convention of 1905 has passed into history, and as a convention will soon be orgotten, but some of the sore places created, will be a long time healing over. There was a fair attendance of delegates when the convention met in the Court House at noon on Tuesday but absolutely no enthusiasm at all. The lack of this necessary element was remarked upon on all sides. The reason for this lack of enthusiasm was easily explained. The convention proceedings were all cut and dried. The machine leaders had the slate fixed up a week ago and the only thing the convention could do was ratify it.

A few of the rank and file feeling the weakness of the entire ticket, especially its candidate for Sheriff, Ellis S. Shaffer, made a strenuous effort to have him withdraw in favor of John Smith, of Spring Mills, but without avail. The leaders forced his nomination through and the party will have to swallow the bitter dose.

Dr. Frank K. White of Philipsburg was nominated for Treasurer over John D. Miller, a hard working farmer of Walker township. Miller was promised the nomination three years ago if he would withdraw in favor of Speer, which he did, but that made no difference to the machine. They wanted White and he had to have it.

John C. Rowe, of Bellefonte, was re-nominated for Recorder but it is admitted he will not cut much ice against Hall.

Deputy Sheriff Harry J. Jackson, of Bellefonte, who has been deputy sheriff nine years, held a position under Cleveland at Washington and other clerical positions about the Court House in this place, was named for Register over D. Wagner Geiss, who never received any office and was much the more deserving of the two.

John L. Dunlap, of Spring township, and C. A. Weaver of Penn twp. were chosen to make the run for County Commissioner. Neither one can compare in business ability with Messrs. Bailey and Miller, the Republican candidates.

Dr. John Sebring of Bellefonte and Dr. P. S. Fisher, of Sion, had a spirited contest on foot for Coroner but here again the hand of the Boss was felt and Fisher was selected.

For Auditors James W. Swabb and S. H. Hoy were named.

The Republicans should feel greatly encouraged with the ticket named by the Democrats on Tuesday. The democrats themselves are dissatisfied and admit its weakness. From top to bottom there is not a farmer on the ticket, and the farmers of Centre county will resent this when they go to the polls next fall. There is not a soldier on the ticket and the treatment which Capt. W. H. Fry, a brave veteran of the civil war and a life long democrat received at the party leaders hands should receive the just rebuke it so richly deserves.

Even Mr. Rockefeller must begin to suspect after a while that something is the matter with his money.

Some man is going to acquire fame some of these days by retiring from the Cabinet without accepting the presidency of something.

Some eastern states must be strongly tempted to ask for the loan of a few western governors of the Hoch, Folk or LaFollette stamp.

Secretary Taft will have to be sent over to Philadelphia to hold the "lid" down for a while--it seems most too much for mayor Weaver but there was never a "lid" that our 300 lb. Secretary of war could not hold down.

King Alexander and Queen Draga of Servia were assassinated June 11, 1903, and the Servians are now asking King Peter whether he wants to celebrate the anniversary in Paris or in a pine boz. They have a keen sense of humor, those Servians.

Lewis and Clark News.

Elbert Hubbard, the Philistine, has written that he will attend the Lewis and Clark Exposition on Roycroft day, October 5, and deliver an address.

The Missouri Society of Oregon, with headquarters at Portland, has prepared to entertain visiting Missourians at the Lewis and Clark Exposition. All Missourians will be shown.

Homer Davenport, the famous cartoonist, has arrived in Portland to remain during the summer in charge of his pheasant farm at the Lewis and Clark Exposition. Mr. Davenport was born and raised at Silverton, Ore., about forty miles from Portland.

The huge dinosaur brought to the Lewis and Clark Exposition from the Smithsonian Institution was so long that its tail had to be cut off in order to get it into a car. But the taxidermists have replaced the tail so artistically that one can't see the joint.

Millet's famous picture, "The Man with the Hoe," may be seen in the Museum of Art at the Lewis and Clark Exposition. This is the picture which inspired Edwin Markham's celebrated poem of the same name, and it is interesting to note that Markham was born but twelve miles from the Exposition sight.

Most of the official receptions at the Lewis and Clark exposition are to be held in the New York State building, which has been tendered for the occasion. A brilliant list of such functions will follow the initial one, a reception to the Vice-President of the United States, the evening of June 1.

There is a probability that Governor Higgins, of New York, will visit the Lewis and Clark Exposition. Among other chief executives who have declared their purpose to attend are Governor Folk, of Missouri, Governor Hoch, of Kansas, Governor Johnson, of Minnesota, and Governor Vardaman, of Mississippi. Governor Pardee, of California, will spend a considerable portion of the summer in the California state building, with Mrs. Pardee and four daughters. The California building has fifteen bed chambers.

Memorial Day at Martha.

The Memorial Day services on May 30th was well attended. We listened to two most excellent addresses. The first was given by Rev. J. H. Higby of Philipsburg and was an excellent tribute to the valor and worth of our soldiers. The next address was by Rev, G. W. Downing of Pitcairn, a veteran of the Civil War and a former esteemed pastor. Our people are always delighted to hear Mr. Downing and his address was full of good things. Pastor Lathrop presided at the service which was held in the Baptist church on account of the rain. Only a few surviving veterans reside here but in our Cemetery there lies nearly 30 of their fallen comrades. After the service the children and congregation led by the few remaining veterans marched to the cemetery where the flags and flowers were appropriately placed upon the graves of our fallen heroes.

The Martha Baptist Bible School rendered very impressively their annual Children's Day service on Sunday evening June 4th. The church was beautifully decorated for the occasion with flowers and ferns, and an appreciative audience taxed the seating capacity of the building to its utmost. The program was entitled "Joyful Songs" and in both matter and rendition was one of the best to which we have listened. The songs, soloes, duetts, choruses, recitations and exercises were most effectively rendered. The program abounded in impressive features. The "Emblematic Piece," "The Arch of Fame," very vividly pointed the people to Jesus as the way of salvation. Rev. Mr. Crittenden of Bellefonte was present and made an interesting address. We shall be pleased to have him return. Much credit for the service is due to Superintendent Earnest Ardery and his faithful co-workers. In his drilling of the children he was ably assisted by Mrs. Lizzie Eberts and Mr. J. R. Williams and others. Miss Lola Williams presided with her usual expressiveness at the organ where she was well supported by a choir of good and earnest singers.

She Left DuBois.

Edna Swartz, who was acquitted of murder by a Ridgway jury a few weeks ago and returned to take up her residence at Oklahoma, left the city yesterday for Bellefonte, where she will reside in the future. She claims that her former friends in DuBois have been persecuting her since she was held for trial and that she desires to go among strangers until her innocence is accepted by the people who seem to be prejudiced against her.—Tuesday's DuBois Journal.

THE PRUNER ORPHANAGE.

There was a Large Crowd at the Meeting Friday Night.

The rally held in the Court House Friday evening by the advocates of the Pruner Orphanage drew a crowded house Ex-Judge John G. Love delivered the first address, elucidating especially the legal aspect of the matter from the viewpoint of those favoring the establishment of the orphanage in exact accordance with Mr. Pruner's will.

The financial side of the case was fully explained by Frank M. Waring, of Tyrone. Next D. Emert, manager of an orphanage at Huntingdon for many years, explained the practical workings of such an institution.

Finally Rev. J. H. Dougherty, of Tyrone, made an eloquent address along lines bearing on the issue at stake. He is a good speaker and made a favorable impression.

One of the most pleasing features of the evening were several solos sang by Mr. Waring.

Just what further action the friends of the orphanage propose to take we have not learned.

Weather Man for June Month.

Rev. Iri Hicks, in his Word and Works, gives the following predictions for the month of June:

The 3rd 4th and 5th are central reactionary storm dates, with conjunction of Moon with Sun and Earth on the 3rd. By the 3rd storm conditions will be well organized in western sections, the barometer will fall to storm readings, the temperature will be high and rising. From 3rd to 5th, inclusive, these conditions will pass progressively over the country from west to east, causing rains and thunder storms generally in their passage.

The second storm period—regular—covers the 8th to 12th, being central on the 9th. From the 10th to the 15th of June is also an annual period of great electric perturbation. We predict that many electrical storms and heavy rainfalls will occur about the 9th, 10th and 11th, but that they will cover comparatively narrow localities, leaving wide areas of the country with only moderate results. Tornadoes are entirely probable at this and other June periods.

It is proper to say here that the prevailing storm and other weather conditions during this period, in any section of the country, will indicate, in a general way, the character of storms and weather that may be expected until after the middle of July.

The third storm period—reactionary—is central on the 14th to 16th. The electric strain of Earth's summer solstice will be felt in frequent and general displays of lightning, all through this part of June. A crisis of such phenomena will fall about Thursday, the 15th, to Saturday, the 17th. Black, ominous clouds, drenching downpours of rain and violent thunder and wind will visit many places at this time. Reaction to higher barometer and cooler, clearing weather will follow these storms.

The fourth storm period—regular—is central on the 21st. This period will be a crisis of electrical summer storms. If the barometer falls to very low readings—a thing to be apprehended at this time—violent, tornadic storms are quite probable in central and western states. It should be known to all that the greater part of the vivid and general lightning at such times in June, is absolutely harmless, and indicates no approaching danger, except in cases where the barometer is very low and a compact, well defined storm cloud is moving up from western and southwestern directions. On and about Jan. 24 will culminate a series of characteristic June thunder storms. Change to rising barometer and cooler will follow.

The fifth storm period reactionary is on the 26th, 27th and 28th. Sections, which have been visited by rain and thunder storms during the three periods preceding this, may look for similar results at this time, and those which have been warm and dry will continue the same, for the most part. There will be thunder and rain storms on and touching the 26th, 27th and 28th, but wide districts of comparative, if not severe dryness will lie in many parts of the country, notably in northern, southern and western extremes.

Death of a Former Bellefonte Lady.

At 9 35 o'clock Thursday evening Mrs. Mary Spangler, wife of R. B. Spangler, one of the highly respected residents of Spangler, died at her home at that place, of paralysis, after a brief illness. The deceased was born at Bellefonte and was aged 42 years. She was a member of the Protestant Episcopal church and was highly esteemed by a large circle of friends, not alone in Spangler, but in Bellefonte and other towns in the vicinity. She is survived by her husband; one sister, Mrs. R. A. Hoover, formerly of Bellefonte, but now of Philadelphia, and two brothers, George and Frank Downing, of Bellefonte. Col. J. L. Spangler, of Bellefonte, is a brother-in-law of the deceased. The remains were taken to Altoona Saturday morning and at 10 o'clock were interred in Oak Ridge cemetery.

MERCHANTS ATTENTION!

The merchants of Bellefonte will hold a meeting this Thursday evening at 8:15 sharp in the Arbitration room in the Court house, for the purpose of banding themselves together in a Merchants Association.

This is along the lines adopted by merchants in other towns and is for mutual protection and to protect the best interests of the business men of the town. All merchants are requested to attend this meeting, as matters of great importance will be discussed.

Death of George Richards.

George Richards, the well known teamster, who for many years resided in Philipsburg, but has for some time been living near Woodland, died Tuesday morning after a protracted illness, aged about 63 years.

The deceased was born near Bilger, and has spent nearly all his life in this neighborhood. He was a member of the 110th regiment, Pennsylvania Volunteers, and had an honorable record as a soldier. He was a good hearted, genial man, with a great many friends. He is survived by his wife.

Childrens' Day at Martha.

A very interesting and instructive childrens day service was held Sunday in the Baptist church at Martha under the direction of Supt. Earnest Ardery and their efficient pastor, Rev. A. C. Lathrop.

The good exercises and deportment of the children and young people were most commendable.

The excellent scripture lessons learned and recited will surely be very helpful in life to the members of the Martha Baptist Bible school.

Mrs. Susan Strohecker.

Widow of Col. R. H. Strohecker, died of diseases incident to old age at the home of her son Samuel Strohecker, in Miles township; Tuesday May 30, aged 86 years and 11 months. She has left to survive one son, Samuel. Funeral services were held on Friday forenoon at Reberesburg conducted by Rev. H. C. Bixler and interment were made in the Union cemetery at that place.

Death of William Sellers.

Squire William Sellers, one of Penns Valleys oldest citizens, died at the home os his daughter Mrs. A. E. Meyer at Linden Hall on Tuesday morning. The deceased was 78 years of age and was a prominent farmer and business man. For many years he was a Justice of the Peace.

The funeral took place this morning.

Mrs. Rebecca Moyer.

Wife of Henry Moyer, died at her home near Penn Hall, Sunday May 28th, aged 56 years. She has left to survive a husband and two children, a son and daughter. Funeral services were held Wednesday morning from her late home conducted by Rev. B. R. M. Sheeder.

Committee Wants Correct names of Centre County Soldiers.

In order to secure absolute accuracy in the names and spelling thereof on our soldiers' monument, we will publish from time to time the lists of certain companies so as to enable those who are interested to suggest changes in initials or spelling, and also to suggest the names of any persons who may have been omitted from the rolls. This is the last opportunity which will be given to our people and to the survivors or friends of deceased soldiers who served from Centre county to have these names corrected. The Committee, therefore, appeals very earnestly to all who are interested in the subject to carefully scan all the names to ascertain.

1st, whether any have been omitted; and

2nd, whether the names of those already contained in the rolls are properly spelled.

It is also very important that the names of soldiers who enlisted in organizations outside of the county or State should be secured, in order that they may find their place among the nation's defenders upon the monument. This is perhaps the most important thing which the Committee has in charge, the organizations from our own county being already well known. If, therefore, any person, in or out of the county, has knowledge of a citizen of Centre county who enlisted in organizations outside of the county and State, it is especially important that their names should be ascertained, so that they may find a place among those who enlisted at home.

Any communication in regard to these names addressed to Gen. John I. Curtin or William H. Musser, Bellefonte, will receive prompt attention.

S. D. Miller of Altoona and Miss Emma Price of Tyrone were visiting at the home of Henry Miller, on Penn street, for a few days, they returned to their respective homes on Tuesday. Mr. Miller has not been here for nearly four years.

Hundreds of people in town on Decoration Day. The parade was formed on Penn street with W. E. Keen as marshal, first the Sunday schools of the town numbering over one hundred boys and girls each carrying a boquet of flowers in one hand and a small flag in the other, then the Aaronsburg band, then the flag, then the soldiers, then the P. O. S. of A. of Woodward, then the I. O. O. F. in full regalia, and last the K. G. E. of the town and of Madisonburg. On arriving at the cemeteries the decorating of the graves was at once commenced, and about the time that the graves were decorated it commenced to rain, this interfering with the full ceremonies on such occasions. The vast assemblage left the grounds in haste to seek shelter from the storm. The speaking was done from the porch of the Musser Hotel, while the people stood on the sidewalks and in the street with umbrellas in the down pour of rain. A quartette of singers composed of Mrs. A. Walter. Mrs. Lottie Harter, W. W. Smith and Harry Meyers sang a piece appropriate to the occasion Rev. Bair, made the prayer and Rev. R. W. Illingsworth of Somerset, delivered a fine address. The Aaronsburg Band played a number of pieces. A few drunks were noticeable on the streets, thus marrying the solemnities of the day. A law ought to be passed by the Legislature, forbidding the sale of intoxicants on Decoration day. Proprietors of hotels should be more cautious in dealing out the ardent on such occasions.

The remains of Mrs. Augustus Huey of Vintonville, Cambria county were brought here for interment last Wednesday. She was a former resident of this borough. Aged 57 years.

The Centre County Sunday school convention is being held in our town this week. The morning and afternoon sessions on Wednesday were held in the Lutheran church in the evening, on Thursday forenoon in the Reformed church in the afternoon and evening in the United Evangelical church, about 130 delegates in attendance. The different sessions were well attended and great interest manifested in the deliberations.

The public sale of household goods of Joseph Cantner on last Saturday was well attended, and fair prices realized. Sam'l Weiser auctioneer and J. W. Stover clerk.

Unionville.

People come and go and our village has been rather livened up for the past week.

Decoration day was quite full with the memorial exercises, beside a very generous repast given at noon and another in the evening, by the ladies in honor of the G. A. R. men. A large number of people were present at this, making it a general affair, and a very good social time. Some speaking was done by Rev. Piper at the cemetery in town, after the rain was over in the afternoon but the crowning meeting was in the evening at the M. E. church. A large number of people were in attendance, the exercises were conducted by Mr. Jack St. Clair. Floral decorations were profuse, only five of the venerable Soldiers were in attendance, quite a number of them have passed beyond, but few are left to tell the tale of woe. Some ritual exercises were given by the Post, in which the "empty sleeve," was visible, this was very pathetic indeed, an aged man with an "empty sleeve," amongst these brave ones, appeals very strongly to our sympathies. Mr. James Pratt gave the first talk of the evening, he addressed the soldiers with much tenderness and feeling, speaking in a very appreciative manner of all that our country had received at their expense, of the grand union of the North and South, and of the responsibility of the present generation, to preserve and protect our country's freedom, and the memory of these valiant men. The spirit in which this address was given was largely appreciated. Mrs. Mary Hall, of Renova was present, her name was called and she came out front much to her aparent displeasure, for she said she was awfully scared, and had "nothing to say," but finally managed to give a "rousing speech," for Mrs. Hall is one of those persons who never runs out of something to say, she had been a soldiers wife, left at home to struggle and pray, with three little ones to care for, as many many others were left to battle at home, these we think deserve honor as well as the men, Her speech contained much of a pleasing character, some of humor and some that was very pathetic and the audience was highly delighted. Rev. Mr. Piper gave the closing talk and he was so much enthused that he felt as though it would take the whole night to exhaust all he had to say, he talked earnestly and pathetically, and appreciatively of our inheritance, and of our duty as christian citizens, he paid a glowing tribute to the former speakers, and especially to Mr. Pratt for the manner in which he applies himself, for the advancement of every good work, in which it is possible for him to engage. Finally Mr. Piper did take pity on himself and on the audience and closed up with saying that he was glad he had been a citizen of Unionville that day, for he had enjoyed it all so much. Excellent music was furnished by the choir for the occasion, and two recitations were given by little girls, which were very appropriate, well rendered and highly appreciated.

A lawn social will be given by the Christian Endeavor Society on the church lawn on Saturday evening the 10th at which fine refreshments will by sold, to which all people are invited. Come and enjoy a good time and help us at the same time.

Miss Cornelia Dale of Lemont is at present visiting at the home of the Fisher girls and enjoying herself immensely.

Mrs. Mary Hall, with her daughter and husband, Mr. and Mrs. Walker of Virginia, after a very enjoyable visit with Mrs. Samuel Burgar, departed for Renova on Saturday.

Mr. John Burgar was home on a flying trip.

Next Sunday will be Childrens Day at the M. E. Church and a very good time is anticipated. And the next Sabbath will be exercises in the Presbyterian church.

Julian

J. C. Hoover, who has been confined to his room for some time, is improving slowly.

The childrens day services at the U. B. church has been postponed. We will announce later.

E. S. Bullock, our ticket agent, spent Sunday in Tyrone with his lady friend

John Parsons, our post master, has resigned his position as postmaster at this place. The appointment has not been made yet who will take his place.

There will be Sunday school at Belleview next Sunday afternoon at 2 o'clock. To these services you are welcome.

John P. Harris Jr., of Bellefonte, has moved his family to Beaver Mills for the summer.

There will be regular preaching services in the M. E. church on next Sabbath.

Charles Murray, who has been division foreman on the Penna R. R. for over 44 years, resigned his position on last Monday and was put on the pension list. Mr. Murray was a faithful employee for the company, who never had an accident on his division and was only fined once, which was a small fine of a dollar. This shows a good record. Mr. Murray will move to Tyrone where he has bought a fine property.

Adam Lohr, the traveling evangelist, who has been traveling for some time in a wagon with his wife, made a fine address on the street on Saturday evening. He also spoke in the church on Sabbath evening, but he was very poorly supported by the professing christians, as there were not a half dozen there. Friends, it seems strange that you do not turn out and give your encouragement. Are we not all aiming for the same Home?

Centre Hall

Mr, Albert E Fugle, of Columbia, South Carolina is spending a week in Centre Hall as a guest of Mr. and Mrs. D J Meyer. Mr Fugle is associated with J Witmer McCormick in the undertaking buisness in Columbia. The later is a son in-law of Mr and Mrs Meyer who went south from Centre Hall a number of years ago and is now a prosperous buisiness man in Columbia. Mr and Mrs Meyer became acquainted with Mr Fugle during a visit at their daughter a couple of years ago.

The Oil Well drillers are not down as deep as I said in last weeks communication they probably would be by this time. The boulders of ore which I spoke of interfered with their drilling as they kept falling in the hole when they reached the rock they found it in clining so much that they will be compelled to do considerable casing before they can proceed drilling.

The festival held in Grange Arcadia on the evening of May 30th by the Aid Society of the Sinking Creek Presbytertian church was a flattering success financial at last.

This week closes the Centre Hall summer Normal taught by Prof. Ward Gramley.

The School directors of Potter Township met in Centre Hall and organized the new board on last Monday.

The Rt. Rev. John H. Darlington, bishop of the Harrisburg diocese, made his first visit to the Bellefonte parish Thursday and administered the rites of confirmation to a class of eleven candidates for admission into the membership of St. John's Episcopal church, of this place. Services were held at 10.30 o'clock in the morning at which time the bishop preached a very eloquent sermon, more than pleasing the large audience present.

At the close of the sermon the rites of confirmation were issued to the following persons: Emma Jane Bachman, Mary Frances Dunlap, Anna Marie Sloey, Margaret Elizabeth Garman, Mary Annetta Redy, Donald Snyder, John Henry Frizzell, Martha Loraine McEntyre, Mabel Gertrude Gengher, Mrs. Elsie B. (Eckman) Beck and J. Monroe Armor.

An Animal Story For Little Folks

The Little Goat's Trick

One day a very hungry wolf pounced down upon a little goat and was just about to make a meal of him when the goat cried out:

"Wait a minute! I have something to say!"

"What is it?" asked the wolf.

"If you will let me go and not eat me, as you intended to do," said the

HE LOOKED DOWN AND SAW THEM.

goat, "I'll tell you where there are more goats than you have teeth in your mouth."

"My, my," exclaimed the wolf, smacking his lips, "I'll agree to that."

"Well," declared the goat, "if you run up to the top of yonder mountain you'll see the goats on the other side, and I am sure there are more there than you could eat in a month."

So the wolf ran off up the side of the mountain, but the farther he ran the higher the mountain seemed, and it was a very long time before he reached the top, tired and footsore and out of breath and more hungry than he had been before.

And what do you think was the first thing he saw? A herd of goats. There must have been 200 of them. They were grazing peacefully on a broad plain on the other side of the mountain.

But what else do you suppose? Why, the other side of the mountain was perfectly straight up and down, just like the walls of this room, only as high as fifty houses placed on top of each other, and at the foot of this steep cliff was a broad river that was as swift as an ocean current. Then it was on the other side of this stream that the plain lay upon which the goats were feeding. It was impossible for the wolf to get to them.

"That little goat has played me a trick," said the wolf sorrowfully.—Pittsburg Dispatch.

COLOR OF THE SUN.

What Would Happen If It Were Other Than What It Is.

A German astronomer has published some interesting observations on the theoretical effects of a change in the color of the sun. It is amazing to consider the possibilities if our sun were green, blue or red instead of what it is. If it were blue, there would be only two colors in the world—blue and black. If it were red, then everything would be red or black. If it were yellow, everything would be yellow or black. Every one knows that the light of our sun consists of six colors, and the reason things are different hues is that some swallow up five of the colors and reflect only one. Thus we have primoses yellow because they absorb all but the yellow, roses red because they absorb all but the red, violets purple because they absorb everything but red and blue, a mixture of which two colors forms purple.

In the event of the sun being red, roses, blood, red ink and all other things that are now red would reflect it. So also would snow, the lily and all things that are now white, but these would, of course, be red. Everything else would swallow up the red light and appear quite black. Grass, for instance, would be black as ink, and so would the blue of the sky, but the white clouds would be red. The same kind of thing would happen if the sun were blue. Everything now blue or white would be blue and everything else black. The whole sky, clouds and all, would be blue. The grass this time would be blue, not black, for it reflects both blue and yellow. Hair would be all black, the red of the lips would be black, and the rest of the face would be a cloudy blue. If the sun were green, we would have a little variety. Things that are now yellow would still be yellow, things that are blue would be blue, and things that are green would still be green, but there would be no reds, purples, orange, pinks or any of those cheery hues that make the world look so bright.—New York Herald.

PRETTY LIGHT SHADES.

One That Would Do For Either Gas or Electricity.

One of the prettiest shades for an electric bulb is a large iris or orchid blossom. Stretch a pattern of the leaf from a flower or trace and enlarge from a book illustration. Then fold crape paper and cut so as to make five or six petals. Each petal is lightly caught to a wire that runs up the center of a petal like the midrib of a leaf. This flower can be bent to entirely cover the light or left partly open.

A shade that would do nicely for either gas or electricity is made on a wire frame in petal shaped segments that grow narrow at the top. For gas they should not be decreased in size too much, for the opening at the top has to be large enough to fit over an ordinary glass shade or a burner shade. On these petals the silk is plaited down tightly. Three rows of fancy millinery braid of the same color edge each petal. Where the petals join the border stands up in a ridge. There is a ruche of the braid around the top.—New York Telegram.

THE HOME DOCTOR.

For sudden hoarseness try a lump of borax the size of a pea dissolved in the mouth.

A teaspoonful of warm honey taken every fifteen minutes has a surprising effect on catarrh.

An old fashioned cure for a cold is to wrap a silk handkerchief over the head after having soaked the feet in the customary mustard water.

One of the best remedies for toothache is compound tincture of benzoin. Saturate a piece of cotton wool with it and apply to the offending tooth.

A few drops of coal oil are useful in many directions for home nursing. Apply to the throat as soon as any soreness is felt and further trouble will probably be avoided.

If butter is applied immediately to a bruise it will be found healing. It will often prevent any discoloration. If the butter is salt it may smart a little, but there will be no harm done.

Our Lady of Nerves.

The woman who is nervous from ill health, overwork, anaemia or other physical ailment merits the warmest sympathy. But it is the poseur—the woman who is "afraid" to walk a square at night when masculine escort is available, yet who would walk a mile if sufficient lure was at the other end and it was to go alone or not to get it—it is to this descendant of the agitated female of fifty years ago that scant sympathy is due. She thinks it ladylike to be timid, not realizing that cowardice, either in man or woman, is a miserable, a despicable flaw. Could some one take this great grownup baby and tell her after suitable old fashioned punishment that what she called nervousness was nothing but temper, selfishness and a determination to have her own way it might bring about a sharp but lasting cure.—Philadelphia Telegraph.

Delicate Cake.

From a new cookbook this recipe for old fashioned white cake or delicate cake is taken: Cream together a cupful of butter and two of sugar; then add slowly a cupful of sweet milk and the whites of eight eggs beaten to a stiff froth. Finally mix in three cupfuls of sifted flour in which have been mixed three teaspoonfuls of baking powder. Stir as little as possible. Flavor with a teaspoonful of almond extract. Sometimes a cupful of blanched and chopped almonds is added at the last. When such a cake is iced and ornamented with whole blanched almonds an orthodox christening cake is produced.

Cruet Stoppers.

Often your prettiest cut glass vinegar cruet becomes ruined because the stopper suddenly becomes immovable and no power on earth short of breaking seems to move it. When it does stick pour a little oil around the top. Let it stand for ten or fifteen minutes and then try knocking the stopper gently with the back of a knife, giving it an upward motion. Continue this knocking all the way around the stopper. This is the best chance of loosening without running any risks of breaking. But if the stoppers of oil and vinegar cruets be exchanged every few days the trouble will be prevented.

Position In Bed.

Do you ache in the morning? If that is the case the chances are that it is due to a habit of lying in bed in a wrong position. The only position for resting is that which relieves the muscles and joints. This is the one called "extension." Very few persons realize that to rest thoroughly the muscles should be relaxed. Another mistake is to have the bed hard. If it causes aching be very sure that you need to have it softer. Do not make a martyr of yourself for the opinions set forth by some spectacled professor. He will not bear your aches and pains.

Interesting to Asthma Sufferers

Daniel Bante, of Otterville, Iowa, writes, "I have had asthma for three or four years and have tried about all the cough and asthma cures in the market and have received treatment from physicians in New York and other cities, but got very little benefit until I tried Foley's Honey and Tar which gave me immediate relief and I will never be without it in my house. I sincerely recommend it to all."—Sold by C. M. Parrish.

An Animal Story For Little Folks

The Cautious Gobbler

The Rev. Ishbosheth Whitewash had at one time a large brood of fowls. They kept him supplied with eggs enough to make cake for the donation parties that so frequently visited him. They also furnished food for the large number of visiting clergy who found it convenient to drop in whenever they

"THEY'RE AFTER ME."

felt the need of chicken. But so large had been the demand on his larder that the stock was now reduced to a tough old rooster and a forlorn turkey gobbler. One day the Rev. I. Whitewash had friends to dine and went out into the yard for the capture of one or other of the lonesome pair.

Mr. Turkey Gobbler saw him coming.

"No, you don't!" he cried as he flew up on the ridgepole of the barn.

"They're after me," said the rooster as he slipped through the parson's fingers, leaving a crop of tail feathers.

"Git under the barn!" shrieked the gobbler.

"Give me time, that's all!" the rooster cried back at him. The parson was outwitted. He poked and shooed and entreated, but both were wary.

At length, discouraged, he went into the house.

Cautiously Mr. Rooster crept out and crowed up to the gobbler, "D'yer—think—he's—gone—for—g-o-o-d?"

And the cautious old gobbler gobbled back:

"Doubtful! Doubtful! Doubtful! Doubtful!"—St. Louis Post-Dispatch.

WHY IT SUCCEEDS.

Because It's for One Thing Only and Bellefonte is Learning This.

Nothing can be good for everything.

Doing one thing well brings success.

Doan's Kidney Pills do one thing only.

They're for sick kidneys.

They cure backache, every kidney ill.

Here is evidence to prove it:

Mrs. James A. Miller, of Tyrone, Pa., living at 1828 Columbia Ave., says: "My husband suffered from rheumatism for years, but it was only a short time ago that he began to complain continually about his back. It kept aching worse and worse until at last he had to lay off work and called in a doctor who told him he had lumbago. His physician gave him some kind of medicine, but it did him no good. One day when he was lying on the lounge unable to move without screaming with pain, a neighbor who dropped in advised him to try Doan's Kidney Pills. He got a box and they certainly have given him surprising relief. They did him so much good that I know he has no hesitation in recommending them to anyone suffering as he did."

Plenty more proof like this from Bellefonte people. Call at F. Potts Green's drug store and ask what his customers report.

What Aggressiveness Does.

To show what energetic American youth does is plainly shown by Hugh B. Fiedler with his Star Magazine. Although the June issue was far in excess in number of any previous edition, it was completely exhausted long before the demand was supplied, and a second edition has been issued, which is now on sale. The clear and up-to date illustrations, as well as the timely reading matter and short stories, evidently catches the reading public.

For aggressiveness and determination to succeed Publisher Fiedler without a doubt stands in the front ranks of youthful journalism.

"WHIZ!! WALK A MILE"

Is a laconic definition of a toboggan ride. It's quick work going down the slide, but it's a long climb back to the starting point. It is very much that way with health; it is quickly lost and slowly regained. When the first symptoms of failing health appear, proper care may prevent the descent to utter weakness and debility. Usually the complication of disorders known as general debility has its origin in a diseased condition of the stomach and other organs of digestion and nutrition. These diseases are perfectly cured by the use of Dr. Pierce's Golden Medical Discovery. It cures through the stomach disorders which have their origin in a diseased condition of the stomach.

There is no alcohol in the "Discovery," neither opium, cocaine nor other narcotic.

"I was all run down; had no strength; had sharp darting pains all through me; head and back ache every day," writes Mrs. Frank Caswell, of Salamanca, N. Y. "I was also troubled with a distressed feeling in the stomach and pain in front of the hip bones. I had a severe cough and it nearly killed me to draw a long breath, I was so sore through my lungs.

"I wrote to Dr. Pierce, telling my symptoms as near as I could. He sent me a very kind letter, advising me to try his medicines, which I did, and before I had taken them a week I was decidedly better. I took two bottles of the 'Golden Medical Discovery' and two of the 'Favorite Prescription,' and am sure I never felt better in my life than when I quit taking them."

Dr. Pierce's Pleasant Pellets are a cure for biliousness.

CALIFORNIA

Do you want to live where the climate is mild the year round—where labor is never oppressed by stress of weather, and where animal vitality is never lost by mere conflict with cold?

Do you want to live in a region where the resources are more varied than in any other equal area in the world, where the division of great ranches affords a fine opportunity to get a small farm that will assure you a competence?

Do you want to live where, with a minimum of labor, you can grow profitable crops of grapes and small fruit, oranges, lemons, olives, prunes and almonds, alfalfa and grain, where crops are sure, business is good and capital easily finds profitable investment?

Then go to California, where both health and opportunity await your coming.

The Chicago, Union Pacific and North-Western Line

is the most direct route to the Pacific Coast, and there are two fast through trains daily via this line, over the famous double-track railway between Chicago and the Missouri River.

Special low round-trip rates are in effect via this line throughout the summer to various Pacific Coast points, and colonist low rate one-way tickets will be on sale during September and October, which give an unusual chance for settlers to make the trip at a minimum of expense.

Daily and personally conducted excursions are operated through to San Francisco, Los Angeles, and Portland without change, on which a double berth in a Pullman tourist sleeping car from Chicago costs only $7.00, via the

THE ALUMNI RECEPTION.

Held in the Armory on Wednesday Evening.

WAS A GREAT SUCCESS

It Was in Honor of the Class of 1905, Bellefonte High School---Over Two Hundred and Fifty Guests Present.

DECORATIONS WERE VERY BEAUTIFUL

As each year rolls around the annual alumni reception and dance of the Bellefonte High School becomes more and more the social event par excellence. This year it proved to be one of the prettiest gatherings of the kind that has taken place in Bellefonte for many a day. It was given in honor of the graduating class of the Bellefonte High school and held in the Armory of Co. B, the interior of which was handsomely decorated for the occasion with flags and bunting. As you entered the room you were charmed with the brilliancy and beauty of the scene. Intermingled with the national colors were the colors of the High school, red and white. Placed about the room were potted plants and flowers, and at convenient places were chairs, couches and comfortable seats where the weary might find rest. Separating the tables where the refreshments were served from the balance of the room were beautiful screens covered with rhododendron and laurel, a very pretty conceit. The committee in charge deserve great credit for the beauty of the decorations and the manner in which everything passed off.

The first event of the evening lasting from nine until ten o'clock was the reception by the members of the graduating class. Everyone wanted to pay their respects to the young graduates. First they shook hands with the principal of the High school, Prof. Meyer and his assistants Miss Levy and Prof. Wagner and then they were presented in turn to each of the seventeen graduates. Then followed pleasant social conversation and everyone was made to feel perfectly at home. All the time this was going sweet strains of music came floating through the air from Smith's orchestra stationed in the center of the room. Bellefonte should be proud of this orchestra whose music will compare favorably with any furnished from a distance.

During the evening choice refreshments were served by Caterer Joseph Ceader. The High school graduating class were served first and with Prof. Meyer they gathered at one of the tables. They enjoyed it immensely. The last thing on the menu was the carving of the big cake which duty was performed by the Valedictorian, Miss Louise Brachbill. In one of the pieces of cake was a ring and all were anxious to see who would get the ring. It fell to the lot of Edward L. Gates to carry off this prize.

At 10:00 the dancing commenced and was kept up until one o'clock. Then everyone departed for their homes feeling that they had passed a very delightful evening.

The committee in charge of the reception was as as follows: John J. Bower, chairman, Misses Mildred Smith' Bessie Dorworth. Alice Ishler, Eva Crissman, Helen Schaeffer, Lillie Smith Gussie Smith, Adaline Olewine, Mary Underwood, Jennie Longacre, and Messrs. Paul Fortney, Arthur Brown, Jr., and Walter Rankin.

The patronesses were Mrs. Ellis L. Orvis, Mrs. Harry Keller, Mrs. J. Calvin Meyer, Mrs. David O. Etters, Mrs H. C. Quigley, Mrs. A. C. Mingle and Mrs. James K. Barnhart.

Over two hundred and fifty guests were in attendance, many being from a distance.

FUNERAL OF JUSTICE DEAN.

Many Eulogies by Prominent Citizens of Pennsylvania.

The funeral of the late Hon. John Dean, supreme court justice, at Hollidaysburg on Monday afternoon was an impressive tribute in honor of the deceased jurist. The capital town was thronged and among those who gathered to pay their respects to the dead were many of the most eminent citizens of Pennsylvania. Blair county people were present in large number, and business was suspended during the afternoon in most parts of the county.

The memorial meeting of the Blair county bar association was held at 1 o'clock in the court house, Judge Martin Bell presided and after paying a feeling tribute to the memory of the lamented judge, he introduced Thomas H. Greevy, who read the resolutions prepared by the committee which embraced a brief review of the life and character of the late eminent jurist, and then paid an affecting tribute to his departed friend.

Eulogies were then delivered by Chief Justice of the Supreme Court James T. Mitchell, Colonel A. K. McClure, A. A. Stevens, Hon. George B. Orlady, of the Superior court, A. L. Cole, of Clearfield; Hon. W. Horace Rose, of Johnstown; ex-Governor W. A. Stone, of Pittsburg; Hon. W. U. Hensel, of Lancaster; ex-Governor James A. Beaver; Hon. John M. Reynolds, Bedford; W. I. Woodcock, J. D. Blair, Hon. J. Lee Plummer, and T. J. Baldridge. The meeting then adjourned and the procession of distinguished men marched to the family mansion on East Allegheny street, where the funeral services were conducted by Rev. R. T. Wiltbank, pastor of the First Baptist church, of Hollidaysburg, assisted by Rev. E. M. Bowman, pastor of the First Presbyterian church.

Ten Years in Bed,

MAYOR WEAVER AGAIN ACTS.

Two of the Gang's Henchmen are Fired Bodily from their Positions

REFORMERS, SUCCESSOR

Mayor Announces That He is Going to Run Administration on Business Basis.

POLICE MUST KEEP OUT OF POLITICS

Philadelphia, June 3.—At the request of Mayor Weaver, Alexander Colville, jr. assistant director of public safety, and William H. Baker, assistant director of public works, handed in their resignation Friday and were immediately succeeded by new men. After the mayor had received their resignations he appointed Thomas W. South, a former police magistrate, to fill the position vacated by Mr. Colville, and Thomas L. Hicks, former postmaster of this city, to take the place made vacant in the department of public works. The salaries of the assistant directors are $4,000 a year.

The change in the assistant directorships was not unexpected, as it has been rumored ever since the chief of these departments were changed that the assistant directors would also be asked to resign. Mr. South has until within a year or two been prominent in the Republican organization. Mr. Hicks, before having been appointed postmaster under the first McKinley administration, was chief of the bureau of highways and a member of councils. He has an intimate knowledge of city finances.

OTHER CHANGES RUMORED.

Rumors of other changes are still in circulation. Mayor Weaver has announced that from now until the end of his term he is going to run his administration on a business basis. Economy is to be practiced in all departments under his jurisdiction and all employes not necessary in the proper conduct of the city's affairs will have to resign. The director of public safety issued an order Friday that hereafter all absentees from duty in the police and fire departments, whether from sickness or other cause, shall have proportionate amounts deducted from their pay.

In carrying out the wish of the mayor that the police shall keep out of politics the director of public safety issued an order that a report be made to him of the number of members of the police department. At every election within the last few years complaints have been made that numbers of illegal voters have registered at the homes of policemen.

It was reported Friday that the mayor intended to appoint an advisory board of twelve citizens, who are experts in various lines of work to assist him in various proposed improvements. The mayor would not discuss the matter.

Philipsburg Wins from Bellefonte.

Philipsburg base ball club seemed to be at themselves yesterday and in the game with Bellefonte beat them easily by a score of 7 to 4. Notwithstanding some pretty serious errors, the game was not lacking in interest. There were some pretty clever playing on both sides. On account of the visitors wanting to make the 5 o'clock train for home, only six innings were played. The game was scheduled to come off at 2.30 but on account of the rain, it was postponed until half past three. Reilly and N. Cameron constituted the battery for the home team and much credit of winning the game is contributed to Reilly's pitching. The rain interfered materially in the attendance. Nevertheless, there was a pretty fair crowd present,—Wednesday's Philipsburg Journal.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's **Swamp-Root** is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists.

DON'T BE WOOZY!

NERO

was a most crafty Roman, but he made one mistake.

He committed suicide at the wrong end of his life,

He should have shuffled off at the beginning.

A great many business men today are committing business suicide at the wrong end of their lives.

They mean well at the start, but drift away from their good resolutions

One means of a long and prosperous business life is to have good printing and stationery.

A business is judged by its reading matter.

It has a distinctiveness all its own—a something that distinguishes it from the common trash of the ordinary shop.

Again we say:

"Don't be Woozy."

Think it over and for your next order, remember the

BRIEF MENTION

Short Items of Local Interest Gathered By The Way Side

—Jap report from St Petersburg "The fleet of Rojestvensky, who long ago sailed hencesky, is now in the past tenseky."

—$40.00 per month and expenses paid good men for taking orders. Steady work Apply to Protective Nurseries, Geneva, New York.

—Frank P. Sargent, commissioner general of immigration, left Washington for Honolulu to inspect the immigration station there.

—A party of capitalists is drilling for oil at Centre Hall with good hopes of success. The drilling has reached over 80 feet and all indications so far are very favorable

—The world's diamond production, summed up, shows that India has produced 10,000,000 carats; Brazil, 12,000,000; Africa, 57,000,000. All the diamonds in the world uncut would have a value of $540,000,000.

—The Huntingdon county fair has been announced for September 4, 5, 6, and 7. Contracts have already been closed for part of the entertainments. There will be a Ferris wheel, Hutchison, the balloon man will make four ascensions, "Cute," the guideless wonder horse, will be there again.

—An old joke was successfully worked on a strolling band that visited Oil City recently. Three boys each were given a lemon and stationed themselves where the players could watch them sucking the sour fruit. In a short time the mouths of the musicians were so puckered and moist that they could not sound a note.—Oil City Derrick.

—Last week a corps of surveyors started at State College to make the survey for the proposed trolley line from State College to Bellefonte. The work is being done by the State College engineering corps under the direction of Gilbert White's expert engineer. It will require about three weeks to go over the entire route, which will cover about twenty miles.

—Quite a social event was held in the Bush Arcade on Friday evening by the colored people of the town. It was a reception and dance given in honor of Arthur G. Thomas and George W. Overton, two of the graduates of the Bellefonte High School, class of 1905. These two young colored men made an excellent record at the High School and were deserving of this compliment. The evening passed very pleasantly. There were quite a number of guests present from a distance.

—The little 16-months-old girl of Mr. and Mrs. Alexander Greninger, of Tylersville, choked to death while eating a cracker last Saturday night about 9 o'clock. The mother had the child with her spending the evening with her neighbors, Mr. and Mrs. William Barner, when the accident occurred, and before any assistance could be rendered the child was dead. Funeral services were held Wednesday, conducted by Rev. Frank Wetzel, of Rebersburg, and interment was made at Tylersville.

—During the fifteen months of the present war Japan has borrowed $260,000,000 on the American and English markets, while Russia has raised at Paris and Berlin something like $200,000,000. When sums of this magnitude have to be provided on short notice for the destructive purposes of war, it will usually happen that many legitimate industrial enterprises must postpone their plans because not enough ready capital is left to advance to them. This is one reason for the very deep concern with which Europe's financial markets are watching for signs of an ending of the war.—From "The Progress of the World," in the American Monthly Review of Reviews for June.

—James T. Mitchell, chief justice of the supreme court of Pennsylvania, and DeWitt C. Taylor, a private citizen of Tyrone, were from 1848 to 1852, classmates of the Central High school, Philadelphia, Mitchell always being number one and Taylor occasionally number two. Taylor entered the high school in 1847 but was sent back to grammar school until another term because the law allowed no student of the high school under 12 years of age, Mitchell and Taylor graduated together in 1852, and never met again till Monday last in the Blair county court house, at the funeral services of Justice John Dean; an interval exceeding 53 years. Their mutual greeting was a hearty and happy one, as can be easily imagined; for school boy memories and after greetings are among the most peculiar and delightful of a life-time. To be greeted by the school boy name, DeWitt, was very sweet to Mr. Taylor. Mrs. Dean and Mrs. Taylor are first cousins.—Tyrone Herald.

—According to the evidence, the two best navies in the world today belong to the United States and Japan.

—Pity that Portland celebration is so far to the west of us as to make it unattainable by the average citizen.

—The pure food department does a good thing when it orders frequent inspection of the state's milk supply

—The home of Harry Haag on Penn street is quarantined with scarlet fever Mr. Haag being ill with the disease.

—A meeting of the Board of Directors of the Nittany Country Club was held at the club house at Hecla Saturday.

—The report of State Treasurer Mathues for May shows a balance of $9,965,502.88 in the general fund of the treasury.

—The comptroller of currency has called for the condition of national banks at the close of business, Monday, May 29.

—The movements of the average individual are interesting only to himself and to some of those who know him, especially his creditors.

—The business of college education is one of the greatest business of the country. The 426 colleges and universities represent an invested capital of $250,000,000 and give employment to 25,000 persons as teachers and officers.

—An appeal has come to the "international" unions of the United States from the general secretary of the "International" unions of Europe, urging that the American organizations proceed to make their union "international" in practice by affiliating with those across the sea.

—The American Federation of Labor exchanges fraternal delegates with the Labor Congress of Great Britain, and in United Mine Workers of America are affiliated with the Mine Workers of the Old Countries, and John Mitchell holds a seat on the International Executive Board.

—Contractor John Noll, finished the stone abutments Saturday morning on the High street bridge that crosses the race and it is a good substantial piece of work the kind that Hon. John Noll always does. Now ye council bring on the iron structure quick. And do away with this eye sore to our beautiful little city.

—The eleventh annual meeting of the Pennsylvania State Bar Association which will be held at Bedford Springs on June 27, 28, and 29th, will be marked by the presence of Gov. Pennypacker and wife, who will be guests of the lawyers. "The Commonwealth," at a banquet to be held at the close of the session.

—August 19 has been selected as the time when the various tribes of Red Men from all over the country will attend and participate in the celebration and help to make the day the greatest and best ever held by the Red Men. The program to be carried out at that time has not been made yet, but arrangements will make it a day to be remembered.

—The Methodists of Central Pennsylvania, comprising some 200 congregations, will hold an outing at Reservoir park Harrisburg on June 20th. The committee on arrangements met last Wednesday at the home of Rev. Dr. Isaac Woods, of Grace Methodist Episcopal church Harrisburg, and decided to make "Methodist Day" the greatest celebration ever held at that place.

—Fred Weaver, son of J. C. Weaver, of Bellefonte, who is now taking a musical course at Peabody's institute, at Baltimore, Md., arrived home last week and presided at the pipe organ in the Presbyterian church Sunday. He is a natural born musician and has been making exceptional advancement in music, especially in manipulating the keys of the pipe organ.

—It is said that the chairman of the State Committee Senator Bois Penrose has announced that the Republican state committee will nominate a candidate for Supreme Court Judge to succeed the late lamented Justice Dean, of Blair county. We would then present for the consideration of our state committee the name of John G. Love, of Centre county one of the ablest jurists in the state and a good square toed Republican.

—Alf Baum, the liveryman, is regretting the loss of a valuable horse that died for him Sunday morning. He was particularly unfortunate as he had just purchased this horse in Huntingdon last Friday. It was a pacer and as fine a piece of horse flesh, apparently, as one could desire. He valued it very highly and its death by heart disease was quite a serious loss to him, especially as good horses are not very easily bought at present.

—One of the finest trophies of the trout stream ever seen in Williamsport was shown Wednesday. It was a trout 20½ inches long and weighed 40 ounces, which A. D. Hermance, president of the Antes Creek club, caught in Antes creek, Mr. Hermance used a Lochabar fly with a No. 12 hook, and after hooking the monster fish he had a pretty half hour fight to land it. This is the largest trout that has been caught in Antes creek in 30 years and Mr. Hermance is justly proud of his success in landing the beauty.

—Denunciation is frequently the life of business.

—Let him that is without sin cast the first stone.

—No extension of that gas lease for Philadelphia.

—Togo is beyond the reach of the bomb thrower.

—Brilliant sunshine and fragrant roses are almost due again.

—No Russian governor general perished by a bomb yesterday.

—The loafer always takes warmly to new schemes in politics.

—Linevitch is having troubles of his own these spring days.

—Some things are better never done than done and then undone.

—Wonder what became of those mysterious Russian sub-marines.

—John Weaver is "the whole thing" in the City of Brotherly Love.

—Full work at $2.50 per day is better than half time at $3.50 per day.

—Civil service reformers seem to be in favor with President Roosevelt.

—A successful liar always has a long memory and a vivid imagination.

—The average man's liver gives him more trouble than his conscience.

—The teamster's strike in Chicago still exists, but it makes little progress.

—Elkin for governor is a recent intimation from Western Pennsylvania.

—Bonaparte needs a little experience in the cabinet to take the frills out of him.

—A welcome to the royal month of June and its bright and refreshing roses.

—The man who thirsts for notoriety usually establishes a press bureau to begin with.

—A self-manufactured reputation sometimes carries a fellow through, but not always.

—Oyama is not jealous of Togo's splendid fame. He also will be doing more presently.

—Haughty as she is Russia will simply have to get down and kneel to Japan. It will not be the first time a little fellow beat a big bully.

—A pure white bear has been found in the Colorado mountains. It was probably a black bear until the President scared it.

—Coal operator M. D. Kelly, of Snow Shoe, was made proud last Thursday morning by the arrival of a twelve pound boy at his home.

—In the meantime announcement is occasionally made that another score or two of Armenian Christians have been murdered by Turks.

—Mitchell Garbrick has resigned his position as miller for Gamble, Gheen & Co., and accepted a similar position with Curtin Wagner at the latter's feed store on Bishop street.

—The average wife may spend more than $65 a year for clothing and dry goods, but there are a good many husbands who also spend considerably more than this for wet goods.

—It is stated that the American people spend $1,000,000,000 a year for liquor. The statistician should now ascertain how much is spent for the effervescent seltzers used the next morning.

—Kansas is already asking for 40,000 additional men to help harvest the bumpers wheat crop. Chance for Gates and his accomplices to become acquainted with the wheat from which real dough is made.

—Joaquin Miller, "the poet of the Sierras," is to be signally honored by the Lewis and Clark Exposition of Portland. There is to be a "Joaquin Miller Day," which will wind up with what is to be called the "Western Authors' Week."

—Oh! the pity of it. It certainly seems that if the men who go on strike would stop and consider the cost, they would be less prone to declare a strike on the slightest provocation. Take for instance the Chicago strike. Nineteen garment-cutters were unable to secure what they regarded as adequate wages and they went on strike. Then the teamsters, actuated by "sympathy" struck also, merely to help the garment cutters. But did they ever stop to consider whether or not their "sympathy" for their own wives and families demanded a different course? Did they think of the debts they would be compelled to incur and of the terrible struggle to get "paid up" which must certainly follow their own prolonged idleness? Did they reflect that there would probable be, as there have been upward of 500 men "slugged" before the strike was concluded? Did they realize that the strike would cost, as it has, $7,000,000 for the labor that has been wasted and which can never be regained? Do they now consider the fact that the nineteen garment cutters are back at work, while they, the teamsters and their families are suffering want and being driven, some no doubt from cruelty, but many perhaps by want, to acts of brutality to their fellowmen, "scabs" perhaps, but nevertheless men, and men who are, no doubt, driven by the work of the teamsters former employers? Never was the advice, "Look before you leap," so pertinent as on the eve of a great strike.

—Houses for rent are scarce at Snow Shoe.

—It's not so much the ships as it is the man behind the guns.

—If the Czar doesn't stop pretty soon the next loss will be his crown.

—Philadelphia councils "marched up the hill and then marched down again."

—The drowning season has set in and the harvest will probably be up to the average.

—Emperor William has suddenly assumed a supremely gracious attitude toward Japan.

—The sad part about it all is that several thousand Russian sailors undoubtedly lost their lives.

—The picnic season is now on in earnest, with all the good things that go with it.

—It is not always the man who cries "stop thief" the loudest who is most surely to be trusted.

—All that Snow Shoe wants to make it up-to-date are better side walks and more of them and better facilities for lighting the streets at night.

—The coal mines at Snow Shoe are only running half time at present which makes business rather dull in that otherwise thriving little town.

—The Rev. H. W. Knickerbocker, deposed for heresy from the Los Angeles Methodist Episcopal church eighteen months ago, is now worth $100,000, made in mining.

—Edward Wittaker engineer on the Central Railroad of Pennsylvania, has moved his family from the rooms over the Republican office to Benjamin Bradley's house on North Spring street.

—Father Kennedy, one of the Paulist Fathers, closed on Sunday evening a successful mission in the Catholic church at Snow Shoe. The meetings were all largely attended and were very successful.

—The Snow Shoe Water company are pushing the work on their water main. The water is brought from a spring three miles from Snow Shoe. It will be a great convenience to residents of that town when completed.

—Prof. David O. Etters, the newly elected superintendent of the schools of Centre county took charge of his official duties on Monday. He has prepared his list of examinations. He is a very competent man and will no doubt be a success in his new position.

—A well known bachlor, whose name it would not do to divulge, says he bought a pair of socks at a certain store not wise to name, and inside found a note from the girl who knitted them, requesting the buyer to correspond with her, object matrimony. Just for a lark he answered the note and was surprised to receive an answer that since writing the note the fair one had married and was a happy mother of five children. He had bought the socks at a store that did not advertise.

—The board of trustees of the State College have voted to support a series of experiments in bee keeping on the college campus, to be undertaken by Prof. H. A. Surface state economic zoologist. The idea is to gain some accurate ideas about bee raising to the end that it can be made a more remunerative pursuit in Pennsylvania. Prof. Surface is to bear the expense of providing the bees and bee house, which will be one large building, but later expense will be borne by the college. It is the intention to import some rare queen bees from abroad.

—The fastest long distance passenger train in the world is about to be established by the Pennsylvania railroad. It will be a limited train between New York and Chicago, and will make the trip in each direction in 18 hours, or more than 50 miles an hour for the entire run. The distance between the two cities by the way of Philadelphia Pittsburg and Crestline is 913 miles. To make the trip within 18 hours and stop at the several cities along the route will necessitate the running of the train at a speed close to 50 miles an hour. There will be spurts that will exceed that fast time. The trains will be given the right of way over all others.

A Surprise Party.

On Tuesday evening, the 30th of May, when Philip Hoover, son of A. H. Hoover of Fillmore, came home from an errand to a neighbor's he found a very pleasant surprise awaiting him.

It was the young man's nineteenth birthday and he was very much surprised to find his friends had taken advantage of the occasion to gather to his home and make merry with him.

A very pleasant evening was passed with music and games.

Choice refreshments were served at a late hour and soon after the guests departed wishing Philip many happy returns of the day and declaring they had all passed a most delightful time.
